28. [REDACTED] BRIEFING Took a call from Dale DeHaan, on the staff of the Subcommittee on Refugees and Escapees, Senate Judiciary Committee, who said that Chairman Edward M. Kennedy (D., Mass.) had requested that Director Bush brief his Subcommittee on the current situation in Lebanon on Friday, 9 April, at 2:00 p.m. At an earlier hearing in front of the Subcommittee, Under Secretary Sisco, in response to questions, suggested the Subcommittee get a briefing from the Director. I told him the Director's schedule probably would not allow for the Director to appear, but that we could provide a senior Agency representative to brief him.

AT 16. [REDACTED] LEGISLATION Stopped by to see Tom Hart, Senate Judiciary Committee staff, about the conference on the Federal Election Campaign Act today. Senator Robert Byrd (D., W. Va.) is one of the conferees, and Hart assured me that Senator Byrd knew of the financial disclosure problem and would raise the issue at the conference.

TAT 23. [] BRIEFING Took a call from Dale DeHaan, on the staff of the Subcommittee on Refugees and Escapees, Senate Judiciary Committee, who said that Senator Edward M. Kennedy (D., Mass.), Chairman of the Subcommittee, and most of the other members would not be able to make the briefing on 9 April and that only Senator James Abourezk (D., S.Dak.) and perhaps Senator Charles McC. Mathias (R., Md.) would be able to attend. I told DeHaan that in that event, I suggested that we not provide a senior Agency representative, but a working level briefer to brief Senator Abourezk. DeHaan thought that would be sufficient and the hearing was rescheduled for 11:00 a.m., 9 April, in Senator Abourezk's office, 1105 Dirksen Senate Office Building. DeHaan and Dorothy Parker, Minority Counsel for the Subcommittee, will sit in on the briefing. []

14. [] LEGISLATION Received a call from Bob Carlstrom, OMB, who asked if there was any particular priority on our letters to the two Judiciary Committees regarding the use of the polygraph. I replied that I saw no urgency as the matter was not moving in either Committee, but that the issue was so important to us that we wanted to be on record with the Committees. Carlstrom said he would try to get the letters cleared by the end of April.
